

# SCREEN OR GLASS ENCLOSURES

Building  
a Better  
lifestyle

## Screen or Glass Enclosures

Apollo Patios Screen and Glass Enclosures provide another dimension in outdoor living by adding a complete home addition using partially or fully enclosed Glass or Screens.

The diverse Australian climate and environment requires an equally diverse solution to create the very best in living and leisure space that can be utilised all year round.

### SCREENED

A Screened Room provides the versatility of gentle cool breezes and healthy air circulation in Summer while providing protection when the weather turns cooler.

### GLASS

Transform your unused space into a light and cosy Sunroom with a full Glass Enclosure. Why not add an additional family living area, a study, a craft or hobby area or even a guest's room? The possibilities are endless to create affordable additional living space.
